“ My Aunt Boo, you will be missed. You have gained your wings and there will be no more pain, no more worries, no more suffering. I know it was time, but we always want more time. But God loves you and said sister it's time to come home. May you find comfort in Jesus Christ arms. I was so glad I got to see you before you left. I will miss you because every time I came home you were always smiling and asking how the boys are doing. Love you TeeTee
