“ *I will always remember my uncle as a handsome, caring and loving man. As a young girl my uncle always made me feel welcomed and loved. He was truly a family man. Although distance kept us from seeing each other and limited our conversations, he was always in my heart. I'm so glad I was able to see him a few months before his passing. I will miss him very much. I send my condolences to my cousins and other family members as we grieve. I will miss him dearly. Love Wanda*
