“ *I would like to send my condolences to the family of good friend Ruby, I have known her for a very long time, Well over 42yrs. I met her when she was living on AUDREY Street, I always walked past her house, spoke but kept walking with my babies, until one day she stopped me and said " baby you want to rest I got a glass of water," I came in and she talked to me like she been knowing me for years, I enjoyed the time and we became friends up until now, I confided in her as she did me. We called each other at least four times a month, sometimes just to ask how you doing? LOVE YOU FRIEND*
