“ I met Samantha at Dodges and soon after became very good friends with her and the other employees. Seeing her and Brittany was the greatest part of coming to Dodges they laughed and joked and was so full of love. Samantha and her contagious laugh was always expected. Soon after I got the chance to meet her kids because I use braid her baby girl Lydia hair. When first discovered she had Lupus I was in the process of moving to Texas but that never stop Samantha and I for staying in contact with each other whether it was through Snapchat or by phone she always remain the same sweet, goofy, amazing person through it all. It saddens me to know I didn't know of her passing but I know she in a place wheres there's no more pain no more suffering no more lupus MY GOD 🙏🙏🙏🙏🙏🙏 although those babies without their mom I know she will watch over there them and guide them from heaven...GET YOUR REST BABY GIRL 🥺🥺🥺

“ I remember the first time I met Samantha when I was hired at Dodges she trained me, we hit it off that very moment. She always made me laugh and have fun even if I was having a bad day. She would always light up a room with her crazy self and beautiful smile. I love her like my bonus daughter. She's going to be missed by many.

“ I will miss you. I know you are at peace now resting and not in pain anymore. I will treasure all the memories, the times we went to see the Christmas lights with you hanging out my car window in amazement, my wedding with you dancing the night away, all the days at Dodge’s with you making all of our day with your craziness, or just the times at my house having a drink. You were truly an amazing woman and friend blessing the lives of everyone you met. I love you my friend

*As a coworker, we may not have worked hand-in-hand in the same department, but you were still my coworker and a wonderful friend indeed! Sam, I always told you I love you and I wanted nothing but the best for you! The world has lost such an awesome jewel, but heaven has gained a magnificent angel. I will deeply miss you, and especially just hearing from you when you send me a text message, just to check on me! Your children, your Mother, and the rest of your family will ALWAYS be in my prayers! Keep them laughing in heaven like you did with us here on earth! We love you Samantha... ALWAYS! 🌍🙏🙏🙏*
