“ To the family of my dear friend Sandy, she was a friend sent from heaven, she was the sister I prayed to have in my life, she gave so much of herself to those of us who met and lived at Ft Drum. She was my sister's keeper a task she took seriously until death parted us. She would call or text me many mornings after her and her brother prayer time just to tell me have a good day at work Toni. I love that lady so much, no one will ever understand how she kept me as my keeper. I do pray God's strength to each brother, grandchild, and her children. RIP my friend I will see you on the other side.
