“ *Tammy was a great childhood friend. Our fathers worked together at Armstrong. I can still hear her voice and Janice saying, “Here comes Kecia Dixon” when I visited them! We had the best times together growing up!*

“ *I am in shock about her passing, list for words. We remained friends after the Isle of Capri Casino. She was so intelligent & fun to be around especially when she would tell you about her Bonus Daughter Mama Lucie. It hurts, so I can only imagine what her parents & Sister is going through. Take your Tammy Boo Love You But God Loved You Best 🙏❤️🙏❤️🙏*

“ *A beautiful soul, full of grace and strength, has returned home to the Lord. Though her earthly presence will be deeply missed, her spirit lives on through the love she shared and the lives she touched. May God comfort your hearts with His everlasting peace.*

“ I just can't believe this... you were on my mind a week ago. We had not talked in years. We became friends by chance and we remained friends even after we drifted apart... not due to confusion but due to life. This is a hard pill to swallow. This hit me like a ton of bricks. I miss you, Tammy! My deepest sympathy to the Dunn family. Yall treated me like family.
