“ To the Bolin Family words can never express how much I loved and care for Tee. We were roommates for a few years. I only learned of his passing today and wish I could have been there to say farewell to my good friend. Until recently we use to talk every two week and sometimes weekly about our life's journey. We would lose contact for a few years but somehow always reconnected. I will miss him dearly! Mr. Bolin was one of a kind, that smile, sense of humor, wonderful personality will never be forgotten. I wish I could name all of the family individually and let you know how deeply sorry I am about the loss of your beloved Tee, Tim, Bolin, ASU was the beginning of a ever lasting friendship.

With My Deepest Sympathy!!!
