“ I was heart -broken to hear the passing of Mrs. Blanton. I have known the Blanton family for 40 years and I basically grew up in their home with the twins Sandra and Sonya. She was a momma to us all. I remember eating dinner at their home on many occasions and Mrs. Blanton sure knew how to cook. As a child I always thought she was very stern and tough. However, looking back and as a mother myself she was a true Mother- which takes dedication and commitment which she gave to her family and still had enough to go around! I know this is going to be a hard time but it will get better because you know she is no longer suffering. I want to say “Thank you” Mr. and Mrs. Blanton for allowing me to be a part of your family’s life.

“ Aunt Claudette you will always be in my heart. I will miss you a lot. I remember always staying at your house in the summer and you teaching me all about embroidery. I still have my flower girl dress that you made for me when my parents got married. :) I was so amazed at all the work you did. You always took all us nieces & nephews camping and I will never forget all the parks you also took us too. Thank you for being a great role model for all of us! Love you! Rest in Peace!

“ Wow, I still can't believe you are gone. As I sit here and think about the MANY memories what stands out the most is all of the homemade food you used to spoil us with....chocolate covered pretzels, chex mix, homemade pies, chocolate chip cookies, my favorite was the mashed potatoes, you made those the Best and encouraged me to make my own from scratch...I have never looked at a box of Idaho Potatoes since... :) and who can forget the homemade cornbread. I can go on, and on about riding in the camper with the HUGE plastic bowl of homemade popcorn, you making my prom dress, and so many other things, but most of all know that you were appreciated, and you will be missed. Most of all rest in Peace!

“ I feel so much pain right now loosing my Mom. She was the best mother I could of been blessed with, She did soooooooooo much for others and rarely took the time to pamper herself because she wanted to always take care of her children first. She always made sure we had everything we needed and alot of the times just the things we wanted. My heart is hurting so bad right now but I am grateful she is no longer suffering and is in peace. She was also know to be a HUGE animal lover and took care of her pets again better than she would herself she would always say i'm okay I dont need it. She is now being pampered by the BEST!!!!
