“ *I am devastated to hear of the passing of Mrs. Bell! I truly loved her. She was the facilitator for me in the e-learning classroom and was always an absolute joy to work with. She was so incredibly talented, too. I have been worried about her since none of my e-mails were returned and we did not get any updates from the school during the lock down. I finally decided to check online and have found this...I'm at an absolute loss. The last time we talked, she was in the classroom happily working on a few flower arrangements and so at least I have a memory of her not only doing something to make others happy, but truly happy herself. I will truly miss her. Love and hugs to her family. She was a treasure.*
